REQUEST TO CORRECT ERROR IN PAIRs

It was noticed that the remarks in the file history in PAIRs indicates that formal drawings are required. Formal drawings were submitted on the application's filing date of 10/23/2003 and were approved. The Notice of Allowability also shows that the formal drawings filed on 10/23/03 are accepted by the examiner. I have spoken with the examiner, Mr. David Bochna, and he concurs that the formal drawings submitted on 10/23/03 are approved and that the request for formal drawings shown in PAIRs file history is in error.

I have also spoken with Mr. George Poindexter and Ms. Toni Hood of the USPTO publishing department and both stated that the formal drawings are shown in their system. Ms Hood indicated that her system would not allow her to delete the remarks but recommended that this request be sent along with the Issue Fee Transmittal requesting the

remarks (formal drawings required) be removed from the file history in PAIRs. Please have the appropriate personnel remove the remarks from PAIRs prior to issue.

Respectfully submitted,
